

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

# The Parish Register

OF

# Hartshead,

IN THE

COUNTY OF YORK,

1612-1812.

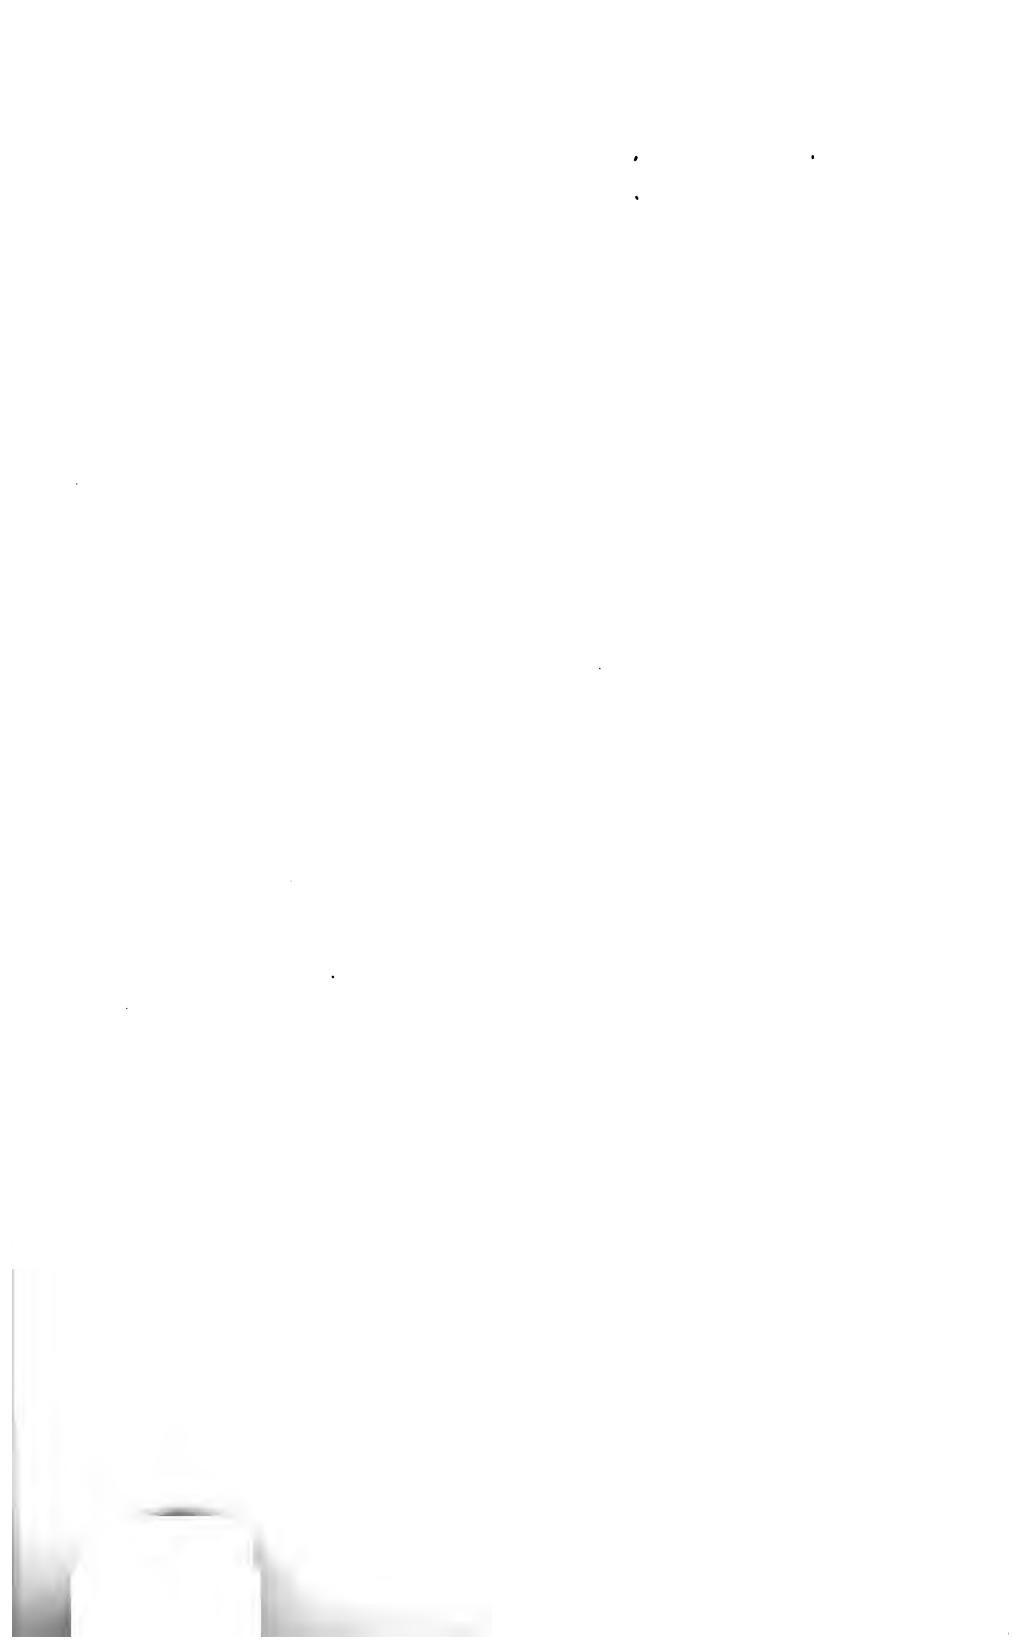

TRANSCRIBED AND EDITED BY

EDITH B. ARMYTAGE.

PRIVATELY PRINTED FOR

THE YORKSHIRE PARISH REGISTER SOCIETY.

1903.

## PREFACE.

The Registers printed in the following pages are those of the Parish of Hartshead, anciently called Herteshewed or Hartshead-cum-Clifton. It is a chapelry within the Parish of Dewsbury, and comprises the two townships of Hartshead and Clifton, which according to the Ordnance Survey contains 3,070 acres, and had in 1811 a population of 1,728, increased in 1901 to 3,452 persons.

The entries up to 1813 are contained in three volumes.

The first volume, containing baptisms, marriages and burials intermixed, is 13 inches long by 8 inches wide, the pages of the same being partly 12 by  $7\frac{1}{2}$ , and partly  $11\frac{1}{2}$  by  $7\frac{1}{2}$ . It was much dilapidated, but fortunately was thoroughly restored in 1811. It is bound in full Russia leather, and inscribed on the side:—

### THE REGISTER OF THE PARISH OF HARTSHEAD.

#### VOLUME I.

It contains a title-page, as follows:—

THE  
REGISTER  
OF THE  
PAROCHIAL CHAPEL  
OF  
HARTSHEAD,

*Anciently written Herteshewet.*

#### Volume I.

*Containing Baptisms, Marriages and Burials from the 4th May, 1612,  
to 30th Decemr. 1692, inclusive.*

*Collated and Prepared for re-binding by*

WILLIAM RADCLYFFE,  
*Of Darley Hall in this County, Esquere.  
Rouge Croix Persuivant of Arms.*

*Re-bound at his Expence and under his immediate inspection in the  
College of Arms, London.*

1811.

which is beautifully printed by hand and accompanied by drawings of arms, a photograph of which forms the frontispiece of this volume.

There is a transcript of this first volume, made apparently about 1760, in which the spelling of the names and places is much modernised. The original spelling has, however, been adhered to, and the proofs corrected therewith. This transcript is on paper 12½ by 8 inches, and contains 72 pages in double columns, ruled in red ink. It was re-bound in 1882 and labelled:—

COPY OF REGISTER OF CHRISTENINGS, MARRIAGES  
AND BURIALS, MAY, 1612, TO OCTOBER, 1692.

The original Register is in the same handwriting from the beginning in May, 1612, to November, 1649. There is another hand to the end of March, 1657-8, and various hands to the end of the book in December, 1692.

The second volume is 19½ inches long by 7½ inches wide, bound in full calf, rough side out, with a red label on the side lettered in gold:—

ST. PETER'S CHURCH,  
HARTSHEAD.

REGISTER OF BAPTISMS, APRIL, 1692, TO MARCH, 1798.

MARRIAGES, AUGUST, 1692, TO MARCH, 1798.

BURIALS, APRIL, 1692, TO MARCH, 1798.

It contains 282 pages in good preservation, having been re-bound in its own cover and repaired in 1882.

The third volume is bound in full calf. It is 22½ inches long by 10 inches wide, and has a label on the side:—

ST. PETER'S CHURCH,  
HARTSHEAD.

REGISTER OF BAPTISMS, MARCH, 1798, TO DEC., 1812.

MARRIAGES, JAN., 1798, TO DEC., 1812.

BURIALS, MARCH, 1798, TO DEC., 1812.

It contains several pages of spare paper, and is in excellent preservation. The book has been divided into three sections. The baptisms are folioed in pencil 1 to 27, marriages 28 to 57, and burials 58 to 73. It was repaired and re-bound in its own cover in 1882.

There is no mention of the appointment of a "Register" under the Act of 1653, nor is there any indication that there was any change in the usual method of keeping the Register during the period 1653-1660.

An entry relating to a flood is to be found on page 55, and another relating to a snowstorm on page 79.

There are a few parish notes intermixed in the Register, such as appointments of parish clerks and repairs to the fabric, which it has not been considered necessary to reprint.

The best thanks of the Society are due to the Vicar (the Rev. THOMAS KING, M.A.) for allowing the Register to be printed, and for the facilities he has kindly given for transcribing and examining the proofs.

The Index has been compiled by Miss MARY CHILD, the daughter of the Vicar of Clifton, which place is now a distinct ecclesiastical district, but which at the period of this Register was included in Hartshead.

## REPORT FOR 1903.

---

THE Council of the Yorkshire Parish Register Society beg to present their Fifth Annual Report. The number of members for the year is 248, which they regret to say is a decrease of 10. They hope that each member will make an effort to induce one at least of his or her friends to join the Society.

The Registers of Cherry Burton and Marske-in-Cleveland have been issued during the year, and the Registers of Hartshead and Linton (Part II) will be issued as soon as the indexes are printed.

For 1904 the first volume of the Register of Bolton-by-Bolland is ready for issue, and the Register of Pickhill is nearly ready. They will be sent out as soon as a sufficient number of subscriptions have been received to arrange a distribution. The first part of Howden is also in the hands of the printer.

It is intended that the final volume of the Register of Bolton-by-Bolland, the second volume of Howden, and the Register of Grinton shall be issued for 1905.

The Registers of Allerton Mauleverer, Askham Richard, Cowthorpe, Crofton, Emley, Farnham, Gargrave, Giggleswick, Hackness, Hornby, Otley, Rothwell, Saxton, Sowerby near Thirsk, Terrington, Thornhill, &c., either have been or are being copied. Donations towards the printing of some of these have been promised, but as by reason of insufficient funds the Society is unable to print more than three or four Registers each year, further offers of donations will be gladly received.

In order that the important Register of Howden may be quickly brought out, it is very necessary that the Society should receive large pecuniary assistance on account of the very numerous entries, and it is hoped that the importance of the work will appeal strongly to the sympathies of those persons interested in the district, and bring additional members as well as donations to the Society.

Lord Hawkesbury, the Rev. John Hawell, the Rev. W. J. Stavert, and Mr. S. M. Milne retire from the Council by rotation, and they and the officers of the Society are eligible for re-election.

## RULES.

---

1 That the name of the Society shall be "THE YORKSHIRE PARISH REGISTER SOCIETY," and the Society shall have for its objects the transcribing and printing of the Parish Registers in the County of York, and such Bishops' Transcripts as may be accessible.

2 That the affairs of the Society shall be governed by a Council, consisting of a President, two Secretaries, and a Treasurer, with not exceeding twelve other members.

3 That the officers and one-third of the members of the Council shall retire annually, but shall be eligible for re-election.

4 That three members of the Council shall form a quorum.

5 That the subscription of members of the Society shall be One Guinea per annum, which shall entitle them to the publications for the year; but the name of any member whose subscription shall be two years in arrear shall thereupon be removed from the Society, and shall not be re-admitted until all arrears have been paid. New members may be elected by either the Council or the Society.

6 That the subscription shall be due on the First of January in each year, and that no work shall be issued to any member whose subscription is in arrear.

7 That an Annual Meeting of the Society shall be held in the month of February in each year, of which at least seven days' notice shall be sent to all the members. At this meeting a report of the work of the Society, with a statement of the income and expenditure, shall be presented. These shall be annually published, together with a List of Members and the Rules of the Society.

8 That so long as the funds of the Society permit, three volumes at least shall be issued to the members in each year.

9 That copies of the publications of the Society shall be supplied to members only.

10 That no payment shall be made to any person for editing any work for the Society, but that the Editor of each volume shall be entitled to ten copies of the work so edited by him, and the Incumbent to two copies for the use of the parish.

11 That the Council may require any Transcript to be examined by them before publication.

12 That each volume of Registers published shall have a full index of both Christian and Surnames and of Places.
